

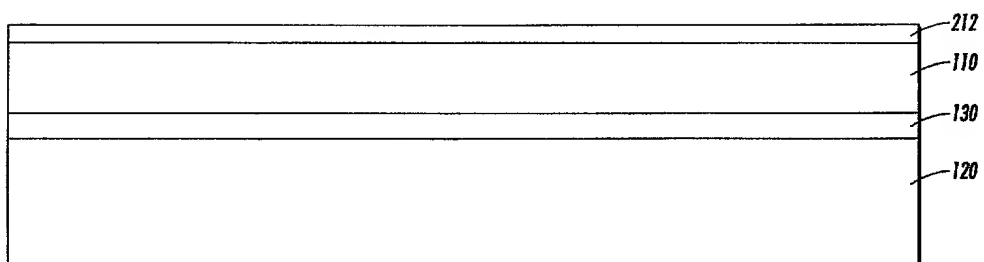

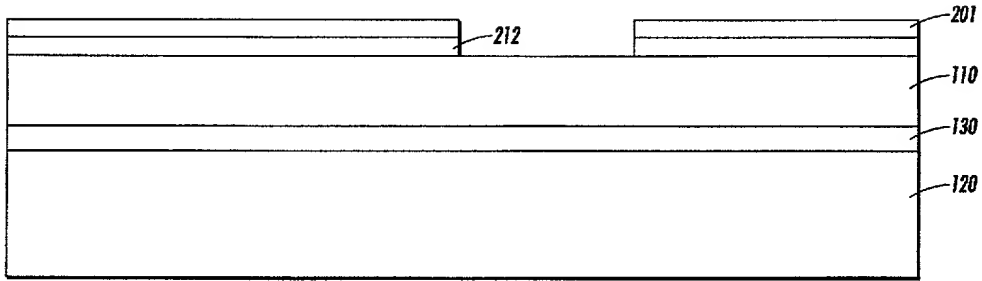

FIG. 1

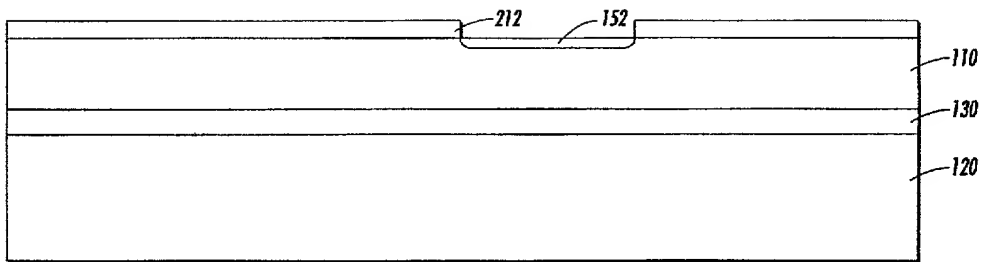

FIG. 1 is a schematic diagram of a rectangular structure 100. The structure is divided into three horizontal sections. The top section is labeled 110, the middle section is labeled 130, and the bottom section is labeled 120. An arrow points to the top section 110.

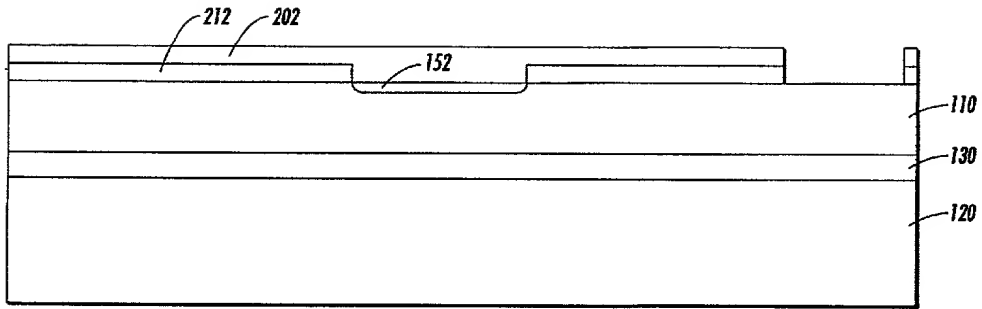

**FIG. 3**

FIG. 3 is a schematic diagram of a multi-layered rectangular structure. The structure consists of several horizontal layers. The top layer is labeled 201. Below it is a layer labeled 110. The next layer is labeled 130. The bottom layer is labeled 120. A small rectangular feature on the top surface of the 110 layer is labeled 212.

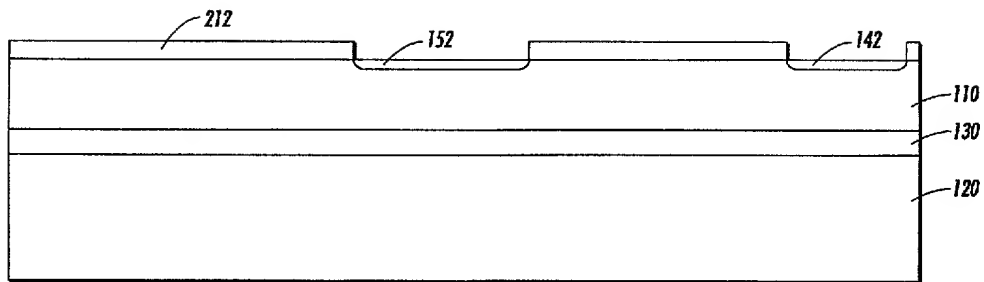

**FIG. 4**

FIG. 4 is a cross-sectional view of a device 100, showing a top layer 110, a middle layer 130, and a bottom layer 120. A small rectangular feature 152 is located at the top center, with its upper portion 212 and its lower portion 152.
